Captain George F. Goold died March 24, 1889. He was appointed on the force Oct. 2, 1865; promoted sergeant March 29, 1869; promoted lieutenant May 9, 1870; promoted captain and harbor master October, 1878.

During the year ninety-eight complaints against officers were investigated by the Board. The nature of complaints and disposition of cases is shown by Table VI.

Under the provisions of chapter 423 of the Acts of 1889, two hundred and eighty-six special police officers were appointed for duty at the polls on the day of the State election.

Horses.

On the 1st of December, 1888, there were 38 horses in the service. During the year 1 horse died, 9 were sold and exchanged and 7 were purchased. At the present time there are 46 in service, as shown by Table VII.

Ten horses were hired for mounted service in the suburban portions of the city, from July 3 to August 28, at an expense of \$570.

WORK OF THE DEPARTMENT.

Arrests.

The total number of persons arrested was 40,066, against 36,009 the preceding year, being an increase of 4,057. The percentage of increase was as follows:—

	Per cent.

Offences against chastity, morality, etc.,	“ $35\frac{51}{100}$
Offences not included in the foregoing,	“ $10\frac{57}{100}$

Six thousand seven hundred and nineteen persons were arrested on warrants, and 33,347 without warrants; 35,829 persons were held for trial, and 4,237 were released from custody. The number of males arrested was 34,283; of females, 5,783; of foreigners, 19,713, or approximately, 50 per cent.; of minors, 5,161. Taking the statistics of arrests for ten years, beginning with 1880, and estimating the average population of the city at 386,300, the average number of arrests was 31,022. The number of arrests in the past year was 40,066, or 9,044 above the average. (See Table X.)

The proportion of arrests to offences committed during the year was most satisfactory, and shows a commendable degree of efficiency on the part of the force. Taking four of the most common offences against persons and property, the statistics are as follows:—

Assaults: number of cases, 2,481; arrests made in 2,335 of these cases, or $94\frac{1}{10}$ per cent.; persons arrested, 2,873; persons convicted, 2,141, or $74\frac{5}{10}$ per cent.; and 38 cases unfinished.

Robbery, and assault to rob: number of cases, 137; arrests made in 96 cases, or 70 per cent.; persons arrested, 109; persons convicted, 49, or $44\frac{9}{10}$ per cent.; cases unfinished, 9.

Breaking and entering: number of cases, 571; arrests made in 275 cases, or $48\frac{1}{10}$ per cent.; persons arrested, 554; persons convicted, 352, or $63\frac{5}{10}$ per cent.; 40 cases pending.

Larcenies (of \$10 and more in value): number of cases, 2,502; arrests made in 1,482 cases, or $59\frac{2}{10}$ per cent.; persons arrested, 1,670; persons convicted, 1,269, or $75\frac{9}{10}$ per cent.; 25 cases unfinished.

There were 354 cases in which the stolen property was recovered, but no arrests made.

The age and sex of persons arrested will be found in Table XI. Of the total number, 24,452, or 61 per cent., were between the ages of 20 and 40.

There was an increase of about $7\frac{3}{4}$ per cent. from last year in the number of insane persons taken in charge; a decrease of $1\frac{1}{4}$ per cent. in the number of witnesses detained, an increase of $49\frac{3}{4}$ per cent. in the number of sick and injured persons assisted, and an increase of $7\frac{9}{10}$ per cent. in the number of lost children cared for.

The average amount of stolen property reported since 1880 was \$95,113.08; in 1889 it was \$72,822.64, or \$22,290.44 less than the average. In the same period the average amount of property stolen in and out of the city, which was recovered by the Boston police, was \$115,960.73; the amount recovered in 1889 was \$122,330.58, or \$6,369.85 more than the average.

The average amount of fines imposed by the courts was \$94,597.16; in 1889 the amount was \$177,876.62, or

\$83,279.46 more than the average. The average number of days' attendance in court was 23,296; in 1889 there were 33,577, or 10,281 more than the average. The average amount of witness fees earned was \$22,519.11; in 1889 the amount was \$8,780.78 more than the average. Table X. gives the figures in detail.

The department made sixty-nine raids on gambling houses, and seized property to the amount of \$6,040. The number of persons arrested on these raids was 292. It has been only with the greatest difficulty that the department has been able to procure evidence sufficient to obtain warrants for the purpose of making these raids. Legislation is needed to prevent the granting of charters to places of this character, under the guise of social and literary clubs.

Mr. Isaac F. Paul was employed, under the authority given by chapter 419 of the Acts of 1889, to furnish such legal assistance as might be required by the Board, and his services have been of decided benefit to the department.

Inspectors' Department.

The statistics of the work of this branch of the service are included in the statements of the general work of the department; but, as the duties are of a special character, the following statement will be of interest:—

Number of persons arrested, principally for felonies,	413
Fugitives from justice from other States arrested and delivered to officers from those States,	21
Number of cases investigated,	1,391
Number of days spent in court by officers,	1,146
Amount of fees earned by officers,	\$1,079 80
Amount of stolen property recovered,	54,529 59
Amount of fines imposed by court,	1,555 50
Number of years' imprisonment imposed by court,	248
Number of photographs added to the "Rogues' Gallery,"	165

The "Rogues' Gallery" now contains 2,271 photographs. The records of 1,154 criminals have been added to the "Criminal Record" kept in this department, which now contains the records of 16,187 criminals. The department has issued the prison reports of 624 discharged convicts, containing the full records, descriptions, distinguishing

marks, etc., of 387 convicts who were discharged during the year, and whose records were considered of sufficient importance to preserve. Other police departments were furnished with 192 copies of these reports.

Medical Examiners' Assistant.

The officer detailed to assist the medical examiners of Suffolk County performed the following service: —

Cases investigated,	357
Deaths reported, — males, 373; females, 89; total,	462

Causes of Death.

Inspector of Claims.

The work of the inspector detailed to assist the committee on claims and the law department, in investigating claims against the city, was as follows:—

Number of cases investigated,	194
of witnesses interviewed,	1,237
of days in court,	34
of days in attendance on committee,	37

Hackney Carriages.

The work of the inspector of public carriages was as follows:—

Number of carriages licensed,	1,371
Licenses transferred,	38
Licenses cancelled,	84
Number of carriages inspected,	1,099
Number of carriages rejected,	137

Articles found in carriages, reported by drivers,	112

This year, for the first time, the inspector personally examined all public carriages before approving the applications for licenses, and rejected all that were unfit for service. This inspection resulted in a marked improvement in the appearance of the vehicles, and was a public benefit. A rule was adopted, requiring the license number to be placed in carriage lamps, and the lamps to be lighted at night.

Harbor Service.

The special duties performed by the officers of Division 8, comprising the harbor and islands therein, were as follows:—

Value of property, consisting of float-stages, rigging, boats, etc., recovered,	\$5,688 60
Number of vessels boarded, from foreign ports,	956

Steamers,	610
Ships,	20
Barks,	161
Brigs,	92
Schooners,	151
	<hr/>
	1,034

Number of arrivals from domestic ports, vessels of all kinds,	9,235
From the British provinces,	1,433

Total, foreign and domestic ports, 11,702

The statute authorizing the Board of Police to appoint from the police force the harbor master and assistant harbor masters, went into effect March 22, 1889.

Licenses.

The total number of licenses issued of all kinds, except for the sale of intoxicating liquor, was 21,336; transferred, 119; cancelled and revoked, 976. The officers investigated 1,502 complaints arising under these licenses, and 42 hearings were given by the Board on these complaints. The fees collected and paid into the city treasury amounted to \$34,895.05. (See Table XII.) The department reported to the Board of Health on 604 applications for fruit, fish and vegetable peddlers' and grease collectors' permits. The offices of inspector of licenses and inspector of wagons were vacated by the death of Inspector Burley and retirement of

Inspector Page; and, it being thought inexpedient to fill the positions, the duties were assigned to the captains of the several divisions.

The laws relative to loaning money on personal property need to be revised and amended, so as to include those persons and corporations who, under the name of "loan companies," do what is practically a pawnbroking business, but are exempt from the regulations which govern pawnbrokers. Pawnbrokers are obliged to be licensed, and to conform to such regulations as the licensing power may prescribe. They are therefore practically under control; for the fact that any misconduct or act of extortion can be punished by cancellation of license, compels them to deal fairly with their customers, and obliges them to assist the police in detecting criminals and recovering stolen property. Loan companies, on the contrary, are free from all surveillance. They practise the most outrageous acts of extortion upon the unfortunate borrowers, and are now becoming the favorite depositories of stolen property, because thieves know that the police are unable to obtain information from them. They charge enormous rates of interest with impunity, because the statute which applies to such cases (chapter 308, 1888) is inoperative, from the fact that there is no penalty prescribed for its violation.

Ambulance Service.

The three department ambulances are stationed in Divisions 1, 4 and 7. Ambulance No. 1 made 354 runs, and conveyed 305 persons to the hospitals, 20 home and 13 to other places. Ambulance No. 2 made 352 runs, and conveyed 307 persons to the hospitals, 30 home and 15 to other places. Ambulance No. 3 made 86 runs, and conveyed 46 persons to the hospitals, 16 home and 4 to other places. (See Table XIII.)

Soup for the Poor.

By request of the city council, the department undertook the preparation and issuance of soup to the poor of the city. The time of distribution was from February 15 to April 6, inclusive, a period of fifty-one days.

Gallons made,	6,401
Families supplied,	7,407
Meals furnished,	37,629
Total appropriation,	\$2,500 00
Amount expended,	1,300 56
Balance unexpended,	\$1,199 44
Average cost per gallon,	20 $\frac{3}{16}$ cents.
Average cost per meal,	3 $\frac{2}{6}$ cents.

Owing to the exceedingly mild weather, the demand for soup was much less than in former years, and the period of distribution much shorter. The total amount expended was less than in 1888; but, as the cost of preparation, such as rent of buildings, services of cooks, etc., was about the same, the average cost per gallon and per meal was greater. While the police department is perfectly willing to assist the city authorities, it is proper to say that the distribution of soup is not, in the opinion of the Board, a matter which comes within the scope of police duty.

POLICE MANUAL.

The rules and regulations for the government of the department were revised, and the new edition promulgated January 31. The revision was necessary from the fact that many of the old rules had become obsolete, and that the changes which have been made in the department since the last manual was issued necessitated new rules to meet the changed conditions.

SALE OF INTOXICATING LIQUOR.

The total number of places licensed for the sale of intoxicating liquor in the license year beginning May 1, 1889, was 780; licenses cancelled, 25; licenses forfeited, 3. (See Table XIV.) Total number November 30, 779; or one to every 501 of the population, based on the census of 1885, and 1,010 less than in 1888. Of these, 583 are licensed to sell to be drunk on the premises, or one to every 669 of the population.

Number of complaints for violation of conditions of licenses, made to the Board of Police,	75
Number of hearings given,	75
Number of places where licenses were forfeited (licenses of 1888),	26
Number of places where licenses were forfeited (licenses of 1889),	3
Number of druggist licenses forfeited (licenses of 1888),	6
Number of druggist licenses forfeited (licenses of 1889),	4
Number of complaints for violation of conditions of licenses made in court,	29
Arrests for selling without a license,	684
Seizures made,	804
Amount of liquors seized (gallons),	8,512
Number of applications for licenses rejected,	492

The following shows the nature of the complaints upon which licenses were forfeited by the Board of Police from Dec. 1, 1888, to Nov. 30, 1889 : —

Violation of Sunday law,	12
Opening unlicensed doors,	2
Selling to minors,	3
Selling to be drunk on premises, in violation of license,	13
Selling liquor without making record on book,	5
Selling between hours of 11 o'clock P. M. and 6 o'clock A. M.,	1
Keeping and exposing for sale liquors not allowed by license,	1
Selling to an intoxicated person,	2

Amount paid into the city treasury for license fees, \$888,308.

Arrests for drunkenness averaged 68 per day during the year, or $6\frac{1}{4}$ per cent. of the population.* There were 1,947 more persons arrested than in 1888, — an increase of $8\frac{4}{10}$ per cent.; $39\frac{1}{4}$ per cent. of the arrested persons were non-residents, and $54\frac{1}{6}$ per cent. were of foreign birth. Eight hundred and thirty-eight persons were arrested for violating the liquor law, — 270 more than in 1888; and, of these persons, $69\frac{2}{10}$ per cent. were of foreign birth.

The Board renews the recommendation that provision be made to continue in force the licenses of licensees who die during the license year.

* Population estimated at 400,000.

FINANCIAL.

Requisitions were made on the city council for the sum of \$1,166,386.75, to meet the running expenses of the department, including the pensioned police officers, house of detention and station-house matrons, for the present financial year.

The total expenditures for police purposes during the past year, including the pensions, house of detention, station-house matrons and liquor-license expenses, but exclusive of the cost of the police-signal system, was \$1,193,965.15. From this should be deducted the amount received for uniform cloth, etc., and paid into the treasury, — \$12,050.69, — leaving the net cost for maintaining the department \$1,181,914.46.

The total revenue paid into the city treasury from fees for licenses over which the police have supervision was \$923,667.85. (See Table XV.)

The total payments on account of constructing the police-signal system amount to \$137,657.78. The cost of maintenance for the year was \$31,897.59.

PENSIONS AND BENEFITS.

On the 1st of December, 1888, there were seventy-eight pensioners on the roll. During the year four died, and six were added, viz., one captain, two lieutenants and three patrolmen, leaving eighty on the roll at date. A list of pensioners will be found in Table XVII.

The pensions now amount to \$30,917.95 per annum.

The invested fund of the Police Charitable Fund on the 1st of May, 1889, amounted to \$191,450; cash in treasury, \$91.88; income unexpended, \$2,398.62. There were fifty-four beneficiaries.

The invested fund of the Police Relief Association now amounts to \$33,927. The payments for the year amounted to \$11,944.35.

POLICE-SIGNAL SYSTEM.

The work of equipping the city with the municipal police-signal system was completed in November. Division 1 went

into service January 1, with 24 boxes; Division 10, February 22, with 30 boxes; Division 11, May 6, with 26 boxes; Division 7, June 15, with 29 boxes; Division 14, June 17, with 20 boxes; Division 2, October 14, with 18 boxes; Division 12, November 11, with 30 boxes; Division 16, November 17, with 18 boxes; Division 13, November 19, with 27 boxes. The total number of boxes in service is 411, and the total number of miles of wire is 213½, and the average cost per mile was \$99.10.

An addition was built to the stable in Division 14, to accommodate the patrol wagon. Wagon houses are now in course of erection in Divisions 7 and 11, on land purchased by the city. No provision has yet been made for wagon houses in Divisions 12 and 13. It is not contemplated to equip Divisions 2 and 16 with wagons, for the present. There are now in use nine patrol wagons and nineteen horses in the patrol service, and one wagon and two horses in the repair department. During the year the wagons made 23,621 runs, covering an aggregate distance of 15,689 miles. Twenty-four thousand three hundred and seventy-four prisoners were conveyed to station houses; 692 injured and insane persons were taken to station houses, the hospitals or their homes; and 280 lost children were taken to station houses. There were 282 runs to fires, 486 runs for liquor seizures, and 481 runs for miscellaneous purposes.

There were 99,685 telephone calls and 1,458,887 "on duty" calls sent over the lines. (See Table XVIII.) The force of inspectors was increased by the appointment of Messrs. G. W. Goodwin, C. W. Hobart and W. F. Jordan; and Willard Litchfield and W. R. Sweet were appointed battery men.

The system has given perfect satisfaction, and has proved of great value to the public. It is now possible to communicate any information to the entire force on street duty inside of thirty minutes; and this has, in several cases, been of great service in facilitating the arrest of criminals and the recovery of stolen property.

LODGING HOUSES.

Attention is called to the increase in the number of cheap transient lodging houses, in which beds are furnished at from ten to thirty cents per night. These places accommodate many respectable persons in necessitous circumstances, but are largely resorted to by the idle and vicious, and often harbor dangerous criminals. They should be required to be licensed, and to observe such regulations as the licensing power may establish.

SPECIAL SERVICES.

During the year two events occurred that called for extra services from all the available men on the force. The President of the United States visited the city August 7, when a detail of 553 men was on duty. The following letter was received from the mayor on that occasion:—

CITY OF BOSTON, EXECUTIVE DEPARTMENT,
Aug. 8, 1889.

To the Honorable Board of Police Commissioners, Boston.

GENTLEMEN:—In behalf of the city of Boston, I thank you for the great zeal and skill with which your department has served during the President's visit. I request you to convey the thanks of the city to every member of your force.

Respectfully,

(Signed)

THOMAS N. HART,
Mayor.

On the morning of Thanksgiving Day a general alarm of fire summoned the whole force to duty. A detail of 549 men was sent to the fire, and performed efficient service. The following letters were received:—

CITY OF BOSTON, EXECUTIVE DEPARTMENT,
Nov. 28, 1889.

To the Honorable the Board of Police Commissioners.

GENTLEMEN:—In behalf of the city and the people of Boston, I thank your Honorable Board and the entire department under your charge for eminent and efficient services rendered at the time of the great fire to-day. The police department was thoroughly well commanded, and met all demands promptly. I request you to communicate this to the department.

Respectfully,

(Signed)

THOMAS N. HART,
Mayor.

OFFICE OF THE BOARD OF FIRE COMMISSIONERS,
CITY HALL, BOSTON, Dec. 5, 1889.

To the Honorable Board of Police Commissioners.

GENTLEMEN: — The fire commissioners desire to cordially thank you and your department for your prompt and efficient assistance during and since the Thanksgiving Day conflagration. We realize that the demands upon that occasion were an extraordinary tax upon your men, as well as upon our own, and their judgment, alertness and firmness contributed much to the ultimate victory. Will you please convey our thanks to your department, and oblige

Yours very truly,

(Signed)

ROBERT G. FITCH,
For the Board of Fire Commissioners.

CONCLUSION.

In concluding, it is the pleasant duty of the Board of Police to again warmly commend the conduct of the force during the past year. The record of the work of the department is sufficient evidence that the police have been zealous and vigilant in the performance of their manifold duties, and it is believed that their services have been appreciated by the public.

Respectfully submitted,

A. T. WHITING,
WILLIAM H. LEE,
W. M. OSBORNE,

Board of Police.
